

We are looking for:

AN ASSISTANT FOR PHOTOGRAPHY PROJECT in LODZ

naerly full-time from 15 january till 15 may

Project

The Dutch photographer **Rob Houkes** is specialized in doing photo-workshops with oppressed, discriminated or otherwise marginalized groups. In 2010 he is going to work in the Baluty district in Lodz. In this particular documentary project he is going to work with several families living in the Bulaty-neighbourhood. The family members will documenting their everyday (family-) life, surroundings friends, activities and so on, with the use of several simple point and shoot camera's. Rob himself is making (family)portraits of the participants, in- and exterieurs and so on. The results of the workshop will be presented at the FOTOFESTIWAL International Festival of Photography in Lodz in 2010.

Schedule

From half January till half February Rob Houkes will be here to do the preparation of the project. In March and April the project is running. End April/beginning May preparation exhibition.

Tasks of the asistant

- assisting during the realising of the project and first visit
- translating (from English to Polish)
- finding participating families in Baluty districy
- find a photo-workshop 'workspace' in the quarter
- assisting with all photography-activities (developing film, selecting and scanning) and workshop-activities

The assistant we are looking for is

- friendly, open, communicative, responding, social, flexible and - if possible - 'streetwise'
- a communicator who is able to "connect people"
- a flexible and creative organizer who get 'things' done
- perserving: not afraid of frustrations or difficulties (keep going)
- interested in social and documentary approaches and processes
- energetic
