TOP SECRET photography project by Tomek Sikora

Tomek Sikora, a Polish artist and fashion photographer known in Poland and abroad, has been visiting Łódź since 15 May. A photography project drawn up by Tomek Sikora in cooperation with the Fotofestiwal and Top Secret, a known clothes brand, is the main reason for this visit.

A three-day fashion session, inspired with reporting photography, during which professional models are accompanied by residents of Łódź is held in Piotrkowska street and in its surroundings.

An exhibition, prepared in a flash i.e. within only one day, will be a culminating point of the project. Works will be shown at a vernissage on **19 May at 7:19 p.m.** in the Festival Centre - Grohman's Villa at 9/11 Tylna street in Łódź.
