

Circulation(s) Festival at Fotofestiwal

Fetart proudly presents the second edition of the [Circulation\(s\) Festival](#) Through a large panel of the new European creatives, this edition shows a scope of very different currents. Priority has been given to a new generation of photographers that are approaching image with a certain distance. The Circulation(s) Festival presents 43 artists. Most of them are selected by the jury, and others are special guests proposed by Fetart, Christine Ollier, sponsor of this edition, the Melk Gallery (Norway) and the *Institute of Photographic Studies of Catalunya (Spain)*.

The projection will be shown in the main center of Fotofestiwal – Willa Grohmana, during the Long Night of Museums, 19 of May.
